CHRIST CHURCH

Lancaster County, Virginia 22480

A REGISTERED NATIONAL HISTORIC LANDMARK

The cedars (planted by The Garden Club of Virginia, 1967) bordering the brick walk to Historic Christ Church, built by Robert "King" Carter, 1732, commemorate "the row of goodly cedars" which history tells us lined the road from his home "Corotoman" at Weems, to the walls of Christ Church.
